On March 24, 2021, Orlando Canizalez Jr. was arrested for Assault C/A Family Violence and for Interfering with Emergency Call C/A. According to a Laredo Police Department report, Canizalez was arrested for both charges for assaulting his current girlfriend after he asked her for money to buy drugs. According to the victim, she was able to dial “911,” but Canizalez took away her phone while it was ringing. Dispatch was calling back, but victim was unable to answer due to Canizalez taking her phone away. The Laredo Police Department arrived to the victim’s house, but Canizalez had fled and was later detained by the Laredo Police Department. This case was presented to the District Attorney’s Office, for review and was filed this month. This case is currently pending prosecution.
